

Synthetic Materials Brochure

Requirements:

1. Sign up for a synthetic material from the approved list. If you would like to research a synthetic material that is not on the list, you must get teacher permission.
2. Create a tri-fold brochure as seen on the back of this paper.
3. You must cover the same topics as shown in the sample on the back.
4. You must use a minimum of three resources.
5. Pictures must be hand drawn or traced, neat, and colorful.
